

MEET ROBIN PETCH

Whale and Dolphin Consultant for International Dolphin Watch

Robin works closely with International Dolphin Watch and has exclusive rights to show films by Dr Horace Dobbs, the inspirational dolphin author and filmmaker, and to talk about his life and work. The film titles are “Follow a Wild Dolphin”, “A Closer Encounter”, “Bewitched by a Dolphin” and “The Dolphin’s Touch” and there is also “Dolphin Dreamtime”, a relaxation and visualisation CD featuring Aboriginal music and dolphin, whale and other natural sounds.

The Whale and Dolphin Man is the new business name of Robin Petch, also well known as Dolphinspotter.

An ex-primary school headteacher and experienced public-speaker and trainer, Robin has been involved with whale and dolphin study and protection for over 25 years.

He now works full time as a whale and dolphin consultant, lecturer, naturalist and wildlife and whale watching boat skipper.

Chair of Trustees for leading UK whale and dolphin study and research charity the Sea Watch Foundation and their Yorkshire Regional Co-ordinator
Whale and dolphin consultant for International Dolphin Watch
Project Director for Dolphinspotter
Skipper and on-board naturalist for Whitby Whale Watching

I am very proud to have been officially "launched" by International Dolphin Watch as the presenter holding exclusive rights to continue telling the story of the work of Dr Horace Dobbs. I owe Horace a huge debt of gratitude, he is a big part of how and why I became involved with whales and dolphins and he has been an inspiration to many, many others around the world.
